The Makalu sits at the intersection of lightweight, sporty sunglasses and ANSI Z87.1+ compliant safety glasses. These shield-style safety glasses feature a 7-base design for maximum field of vision. With an integrated brow guard, Edge-Flex™ temples and an adjustable nose piece, the Makalu prioritizes protection and custom-like comfort. The Makalu's nylon frames and impact-rated polycarbonate lenses promise durability and secure compliance with ANSI Z87.1+ and CSA Z94.3 protective quality standards. Plus, the adjustable nose piece is UPLC compatible. The Edge Makalu is a sure choice for anyone looking for lightweight, compliant, and comfortable safety glasses.
