

## 7 Tips to Buy a Diamond Ring for your Partner

There are so many special reasons to buy a ring for your partner, especially if it a proposal then it requires proper planning. Buying [diamond engagement rings for women](#) can be so complicating. There are different and attractive varieties of rings available, selecting the one that she likes is vital.

First things first, find a trustworthy place that can provide you the [best diamond bridal rings](#), narrow it down using these tips for purchasing a diamond ring for your partner.

### 1. Know what he/she likes

It is crazy when you are planning to buy diamond engagement rings for men. Men mostly do not talk much about their ring preferences; it is confusing to go with the trend or something else. Is he/she into gold or silver? Know about your partners' taste in metal.

### 2. Quality of the Diamond and Size of the Ring

To understand the quality of the diamond make sure you check the cut, clarity, of course, the carat, and the color. Get a few things right, for the ring to have a perfect design it needs a

proper measurement of your partners' finger. Make sure you have the accurate measurement and there is a slight difference between the left and the right-hand fingers.

### **3. You can Buy Loose Stone**

When thinking about purchasing a stone for the ring, make sure you know the kind of stone your partner likes. Instead of buying a ring with a diamond or a stone, you can buy a loose stone and carve it in any shape. Approach a good jeweler who can guide in your search.

### **4. Let us talk about finances**

Prepare a budget and stick to it. You must plan a budget with a clear mind. Explore different websites and store and compare prices, do not compromise with the quality. In the end, it is worth every penny.

### **5. Get it in Writing**

Ensure to have all the documents related to your purchase in hardcopy or written. Make sure you also have a GIA certificate for your diamond that has a detailed description of its dimension.

## 6. Insure it

Do not forget to get it insured. You must contact your insurance company and ask them to add this valuable investment in your insurance policy. This is to be on the safer side if in case, the ring has been stolen or by any chance, you lose the ring.

## 7. Shop Safely

Ask for a recommendation from friends and family, their experience with their purchase will help you plan for yours. Research about the jeweler; check the credential of the store or the authenticity of the website. Ensure that they have the required documentation according to the law of the state. You can also visit nearby jewelry stores in Greensboro NC, High Point, Jamestown, Winston Salem, Lexington, Burlington, Kernersville, Thomasville, Summerfield, Oak Ridge, Reidsville, and Asheboro, North Carolina.
